A GEOGRAPHIC UNIT is either the state, or county, or a census county division (CCD), or a place (city or town), or a census tract/block numbering area (BNA), or a block group (BG), or a block, or a reservation. The particular geographic unit must be specified when ordering. State data is for the state overall; it does not include data for specific areas in the state.

PUBLIC LAW 94-171 FILE (100% data from the short form questionnaire):

SUMMARY DATA PRODUCTS for counties, places, Indian reservations and county portions of reservations and trust lands are available upon request.

HIERARCHY REPORTS are available by county for all levels of geography down to the block group level. State, county, census county division, tract or block numbering area, place, remainder of census county division and block group are the geographic areas in the report.

BLOCK REPORTS are available by county and contain all the geographic levels of the hierarchy reports as well as the blocks. **\$5.00 per county**
